

Things are plodding along agreeably this February and Martyn, my IT guy, has put together a lovely small online shop. Currently offering a couple of bespoke stationary items as well as a way to purchase a crystal reading, you can find it here: [Shop - Community Retreats](#). We are looking for a few guinea pigs to ensure it's all working correctly. Early customers will receive a special gift, probably a lovely crystal. We hope to be adding to our offering in the coming months....

Alongside for those seeking more understanding, there is a new Fact Sheet available about Crystal Readings, which can be found by [following this link](#). Crystal readings are part of the services offered, we also provide spiritual mentoring services as well as angelic reiki based healing. This quarter too, we have a number of special offers available including:

- ♥ **Book an Angelic Reiki Healing session & receive a £10 voucher for crystals.**
- ♥ **Sign up for Spiritual mentoring and receive a personalised crystal reading (worth £37)**

Our prices will be increasing on the 1 April due to inflationary pressures as well as a rise in banking and finance costs. For existing customers this will be 1 July. So do consider booking early. I am now available for appointments on Monday, Tuesday and Wednesdays (previously 2 days).

Earlier this month, we participated in a local wellbeing day in the community. I came armed with my crystals for sale. We hope to participate in the next. Further information can be found here: <https://www.eventbrite.co.uk/e/wellbeing-collective-expo-tickets-557737918127>
